

_____ manager:

- I biked to your business today.
- I would like to bike to your business.

Unfortunately your business currently does not provide a convenient place to lock my bicycle.

I wanted to let you know about a grant program that pays for 80% of the cost of bike racks. The cost to your business would be about \$30 for one rack that holds two bikes. You can call 215-3815 to inquire about it, or visit www.knoxtrans.org/plans/bikeparking

As a cyclist, I seek out businesses that accommodate patrons who bike. I hope your store will join the many in the Knoxville area that offer safe bicycle parking to their customers.

Thank you,
